UTILITY RELOCATION WORK SCHEDULED FOR ATASCADERO 101/41 PROJECT

ATASCADERO – Caltrans has announced that utility relocation work has been scheduled in preparation for construction of the Hwy. 101/41 interchange project in Atascadero.

The right lane of **northbound** El Camino Real will be closed from just across the northbound Hwy. 101 off-ramp to the intersection with Hwy. 41 beginning Monday, July 23. The work will take place Monday through Friday from 8:30 am to 4 pm for the next six weeks.

Pacific Gas and Electric (PG&E) is performing this work, under permit from Caltrans.

Construction bids on this improvement project will be announced on August 21. The winning contractor is expected to begin work in October.

Caltrans reminds motorists that ‘we’re here to get you there.’

Caltrans has created a project website that will be regularly updated at http://www.dot.ca.gov/dist05/projects/slo_101_41/. Motorists may also call Caltrans District 5 Public Affairs at (805) 549-3318.
